# What is a Bed & Breakfast?

The Bed & Breakfasts of Washtenaw County are private residences whose owners offer overnight lodging in their homes. All of us provide comfortable bedrooms, most with adjoining private bathrooms. And, as the name implies, we serve a delicious breakfast the following morning as part of the package. We are an eclectic mix of large and small facilities ranging from one to nine rooms. Some B&Bs and Inns are located in rural areas or quiet neighborhoods; others are close to the University of Michigan or Eastern Michigan University campuses, or in the heart of downtown Ann Arbor, Chelsea or Ypsilanti.

Across America, you can find Bed & Breakfasts in places ranging from cattle ranches to Victorian mansions to ski lodges. For the adventurous traveler, we are an attractive alternative to a conventional hotel or motel. None of us are exactly alike, but we have a number of attributes in common:

- ▲ A commitment to generous hospitality
- ▲ Personal attention to our guests
- ▲ Individually themed and decorated rooms
- ▲ Amenities such as wireless internet, free parking
- ▲ Complimentary snacks and beverages
- ▲ Architecturally interesting or historic structures
- ▲ Clean, comfortable ambiance and surroundings

**As you plan your next visit to our area,  
give one of us a try!  
You're in for a warm welcome.**
